

The charity this quarter will be giving back to the Sock it to 'em Foundation. This is a great way to share with your friends and family to help reach 2023 health goals! Bring 5 or more NEW socks and receive our awesome new patient deal for just \$29(normally \$249). That's the consultation, exam, and 1st adjustment for \$29! (Are you kidding me?) Please refer a friend or family member this New Year!
